

	SOLAS Verified Gross Mass (VGM) Declaration	FM-160-136
	Version 2	Page 1 of 1

In compliance with Transport Canada, Oceanex requires shippers to declare the Verified Gross Mass (VGM) when moving any containers by sea.

When tendering a load to Oceanex for transport via container, please provide the information below. If you are already providing a separate BOL to Oceanex that indicates the VGM, this form is not required.

Booking Number:

Shipper:

Consignee:

Gross Cargo Weight:

Container Tare Weight:

Total VGM:

Signature:

Scaling option provided by Oceanex as per the General Tariff. **Check here if required**

** Please inform Customer Service if scaling is required to prevent any delay in the movement of the shipment.*
